Servings: 6

1 (10 1/2 ounce) package miniature marshmallows
3 tablespoons butter
1/8 teaspoon salt
red and yellow food coloring
6 cups Rice Krispies® cereal
popsicle sticks
miniature chocolate Tootsie Rolls
green and black frosting

In a large saucepan, combine the marshmallows, butter and salt. Cook and stir over medium-low heat until melted.

Remove from the heat; tint orange with red and yellow food coloring. Stir in cereal.

With buttered hands, shape mixture into six large balls or create a variety of sizes of pumpkins.

Insert a Popsicle stick into each ball.

Cut chocolate Tootsie Rolls in half widthwise; press into the top of each for stem.

Create green leaves and vines with green frosting and make jack-o'-lantern faces with black frosting using a small round piping tip.

Enjoy!
